It is a condition for cover that the death, illness including any symptoms thereof, injury or pregnancy occurs after the insured has booked and/or paid for the trip and after the purchase of the insurance policy.

In the case of a covered incident resulting in cancellation, a single co-insured traveller's costs will also be covered. Where the insured is travelling with his/her co-insured spouse and/or children, these family members will be covered.

22.2: The insurance shall provide compensation for the amount that the insured has paid for his/her trip and for which there is no possibility of a refund in case of cancellation and/or change in itinerary according to the conditions of the travel agency or airline company. The amount reimbursed will be subject to the insured providing satisfactory evidence of actual costs incurred. The maximum reimbursed amount per insured per trip is USD 2,000/EUR 1,450/CHF 2,200/GBP 1,100 under Single Trip and USD 1,500/EUR 1,100/CHF 1,650/GBP 850 under Annual.

It is the insured's responsibility to cancel any pre-booked hotels/accommodation, tours and/or special events, etc. The Company cannot be held liable for any expenses or no-show fees in connection with the above.

22.3: The right to compensation shall cease when the insured leaves his/her country of permanent residence to start the trip. The start of the trip is defined as passing border control or embarking on an aircraft, a ship or a train.

22.4: Exceptions to cover

The Company shall not be liable to pay reimbursement for expenses which concern, are due to or are incurred as a result of:

- 4) if the cancellation is due to a change in travel plans, change of mind, changed conditions at the destination, natural catastrophes, acts of terrorism or similar situations,
- 5) if the claim has occurred directly or indirectly due to the insured's intentional actions, gross negligence or omissions, unless it can be proved that the claim has no connection thereto.

22.5: In case of a claim the insured must notify the travel agency/airline company immediately. The insurance does not provide cover if cancellation takes place later than the time of departure.

22.6: In the case of a claim it is a condition that the insured obtains medical information with a diagnosis from the attending physician

If you are claiming for Delayed baggage (Art. 15) the Company requires the original Property Irregularity Report (P.I.R.) in order to complete the assessment of this claim type.

The Company scans submitted bills upon receipt. Any retrieval of the submitted bills is not possible.

The Company reserves the right at any time to require provision of original bills from the insured.

24.2: In no event shall the amount of compensation exceed the amount shown on the bill. If the insured receives compensation from the Company in excess of the amount to which he/she is entitled, the insured shall be under the obligation to repay the Company for the excess amount immediately. Subsequent compensation made by the Company shall first be written down by any such outstanding amount.

24.3: Compensation payments shall be limited to the usual, customary and reasonable charges in the area or country in which treatment is provided.

24.4: The Company must be notified immediately in case of death, hospitalisation, emergency repatriation, medical evacuation/repatriation or accompaniment, and such notification must include medical information about the illness/injury. Notification should be made by telephone or e-mail to the Company's 24 hour emergency service; the Company shall defray all expenses incurred in this connection.

24.5: Claims must be reported to the Company immediately after the circumstances underlying the claim have become known to the insured.

Art. 25 **Cover by third parties**

25.1: Where there is cover by another insurance policy or healthcare plan, this must be disclosed to the Company when claiming reimbursement, and the cover under this insurance shall be secondary to any such other insurance policy or healthcare plan.

25.2: In these circumstances, the Company will co-ordinate payments with other companies and the Company will not be liable for more than its rateable proportion.

25.3: If the claim has been covered in whole or in part by any scheme, programme or similar, funded by any Government, the Company shall not be liable for the amount covered.

25.4: The policyholder and any insured person undertake to co-operate with the Company and to notify the Company immediately of any claim or right of action against third parties.

25.5: Furthermore, the policyholder and any insured person shall keep the Company fully informed and will take any reasonable steps in making a claim against another party and to safeguard the interests of the Company.

25.6: In any event, the Company shall have the full right of subrogation.

Art. 26 **Payment of premium**

26.1: Premiums, including renewal premiums for Annual Travel, are determined by the Company and shall be payable in advance for the whole insurance period before the commencement of the insurance.

26.2: The policyholder shall be responsible for punctual payment of the premium to the Company.

26.3: In the event of failure to pay before the commencement date of the insurance, the insurance shall not be effective and the Company shall not become liable.

26.4: Other charges, such as Insurance Premium Tax (IPT), or other taxes, levies or charges, depending on the laws of the policyholder's country of residence may apply. If they apply to the policyholder's insurance premium, they will be included within the total that has to be paid on the premium notice. The charges may apply from the commencement date or the anniversary of the commencement date. The policyholder must pay these charges to us when paying the premiums, unless otherwise required by law.

Art. 27 **Necessary information to the Company**

27.1: The policyholder and/or the insured shall be under the obligation to notify the Company of any travel or health insurance cover or a similar cover with another company, including a consolidated company.

27.2: The policyholder and/or the insured shall also be under the obligation to notify the Company of and provide the Company with all obtainable information required for the Company's handling of the policyholder's and/or the insured's claims against the Company, including provision of original bills upon request from the Company.

27.3: In addition, the Company is entitled to seek information about the insured's state of health and to contact any hospital, physician, etc who is treating or has been treating the insured for physical or mental illnesses or disorders.

Furthermore, the Company is entitled to obtain any medical records or other written reports and statements concerning the insured's state of health.

Art. 28 **Assignment, termination, cancellation and expiry**

28.1: Without the prior written consent of the Company, no party shall be entitled to create a charge on or assign the rights under the insurance.

28.2: If Annual Travel has been chosen, the insurance is automatically renewed on each policy anniversary.

If Single Trip has been chosen, the insurance is for the exact number of days purchased by the policyholder. There is no rolling renewal of the Single Trip insurance plan.

The insurance may be terminated by the policyholder or by the Company with effect from the end of a calendar month with 30 days' prior written notice.

If an Annual Travel is terminated by the policyholder before it has been valid for 12 months the Company shall be entitled to a service charge of USD 100/EUR 75/GBP 60/CHF 95.

If a Single Trip is terminated by the policyholder prior to the commencement date of the insurance the Company shall be entitled to a service charge of USD 35/EUR 25/GBP 20/CHF 30.

If a Single Trip is terminated before it has been valid for 12 months, the Company shall be entitled to a service charge of USD 25/EUR 20/GBP 15/CHF 23.

28.3: When a claim has been filed, the insurance can be terminated with one month's notice by the policyholder or by the Company within 14 days after the reimbursement has been effected or rejected by the Company.

28.4: The Company's liability in connection with the insurance, including liability for reimbursement for medical expenses for ongoing treatment, after-effects or consequential damages in connection with an injury or illness incurred or treated during the insurance period, shall automatically cease upon expiry, cancellation or termination of the insurance.

Accordingly, upon expiry, cancellation or termination of the insurance, an insured's right to claim reimbursement shall cease. Claims for reimbursement of medical expenses incurred during the insurance period must be filed within six months of the date of expiry, cancellation or termination of the insurance in order to be eligible for reimbursement

If Annual Travel has been chosen, cf Article 2.3, the insurance period shall for the purpose of this Article 28.4 also mean each travel period of a maximum of one month.

28.5: The insurance period can be extended up to 48 hours with no extra premium charge if the return of the insured is delayed without the insured being responsible for the delay.

28.6: If the policyholder has purchased a travel insurance with an insurance period of more than one month, the policyholder has a right to withdraw from the purchase.

The period during which the insurance can be withdrawn lasts 14 days and begins on the date on which the policyholder has entered into the insurance agreement. This will normally be the date on which the policyholder receives the policy schedule.

Under the Danish Insurance Contracts Act the policyholder has a right to receive certain information about the right to cancel the insurance and about the insurance. The notice period for cancellation does not commence before the policyholder has received this information in writing (e.g. on paper or by email).

If, for example, the policyholder receives the policy schedule, and also has received the above information, Monday the 1st, he/she can cancel the insurance until and including Monday the 15th. If the period expires on a public holiday, Saturday or Sunday, the policyholder can wait until the following day.

If the insurance has entered into force before the withdrawal, the policyholder will be charged premium for the time he/she has been covered. The Company will refund the difference between the premium that would be payable for the shorter period of cover and the premium paid.

If the policyholder wants to withdraw the insurance the Company must be notified by letter or email. The Company's contact details are listed at the end of this document. It is sufficient that the letter/email is sent to the Company before the expiry of the notice period.

28.7: Where upon taking out the insurance or subsequently, the policyholder or the insured has fraudulently disclosed incorrect information or withheld facts which may be regarded as being of importance to the Company, the insurance contract shall be void and shall not be binding on the Company.

28.8: The Company can stop or suspend an insurance product at three months' notice prior to the policy anniversary.

Art. 29 Disputes, venue, etc

29.1: We are always pleased to receive any feedback, including areas which may have caused concern. For any comments or complaints the insured can contact the Bupa Global Travel customer service team at travel-complaints@ihi.com or via the contact details listed at the end of this document.

It's very rare that we can't resolve a complaint, but if this does happen you have the right to refer your complaint to the Danish Insurance Complaints Board:

Ankenævnet for Forsikring (The Danish Insurance Complaints Board)

Anker Heegaards Gade 2
1572 Copenhagen V
Denmark.

Any disputes arising out of or in connection with the insurance contract shall be settled in accordance with Danish law, with Copenhagen as the agreed venue.

29.2: We are covered by the Financial Services Compensation Scheme (FSCS). In the unlikely event that we cannot meet our financial obligations, the insured may be entitled to compensation from the FSCS, if the insured is usually a resident of the EEA (European Economic Area). More information is available from the FSCS by calling +44(0) 20 7892 7301 or on its website www.fscs.org.uk.
