Financial Security

Your InterGlobal HealthCare Plan will be fully underwritten by InterGlobal Insurance Company Limited. InterGlobal Insurance Company Limited, formed in 2007 as part of the InterGlobal group of companies, has an A.M. Best financial strength rating of B++ (Good) and is authorised and regulated in the United Kingdom by the Financial Services Authority.

In certain countries we have formed partnerships with carefully selected local insurers in order to comply with local legislations and benefit from additional regional support. Where your country of residence is in one of our partner countries your plan will be underwritten by the local insurer detailed on your certificate of insurance and, if applicable, shown on the cover of this brochure. Your plan will be reinsured by InterGlobal Insurance Company Limited.

Pre-existing medical conditions

We underwrite our plans on a 24 month moratorium basis. This means that any pre-existing medical conditions that have existed in the two years before your plan starts will not be covered until you have been free of symptoms or treatment for two years after the start date of the plan.

For a full definition of pre-existing medical conditions and an explanation of our moratorium, please see the UltraCare Plan Guide. A help sheet is available on request.

Your medical history

We do not ask you to fill in a medical questionnaire when you apply for a plan. However, there are some medical conditions that we do not cover.

Please read the benefit conditions and exclusions section of the UltraCare Plan Guide for more information or call us on +44 (0) 1252 745 900 if you have any questions.

Transfers

If you already have a health insurance plan with another provider, we may be able to continue your cover with the same underwriting terms. Please be aware that our policy terms, conditions and benefits may differ from those of your current insurer.

Please call us on +44 (0) 1252 745 900 to find out whether this will be possible and to get a quotation.

Corporate or affinity groups

All of the information given here applies to individual and family plans. However, we also cover corporate and affinity groups. If you are looking to arrange cover for your employees or members, here are some of the extra benefits available:
